Our Q3 Members Only Six-Pack was curated and intentionally priced for peak summertime wine drinking by our new Development & Marketing Manager, Sarah Neve. A mix of zippy whites, light-bodied reds, and rosés that are a little off the beaten (Provencal) path. These are not for your cellar, they are for your summer, and we hope you enjoy them all! Cheers!

CASA GIONA PROSECCO EXTRA DRY NV

Textbook Prosecco, filled with fresh, fruity pear, yellow fruit, and green apple notes. Firm and refined, with flavors on the palate of ripe golden apples, citrus, and honey, well balanced with floral accents and lively acidity. Perfect as an aperitif on its own or mixed with Aperol for a classic summer cocktail. 100% Glera.

ROUSSELY PETILLANTE NATURALE CABERNET FRANC 2019

This Loire Valley natural wine is light, round and offers notes of red fruit and pepper. Dry, crisp, and chuggable, it bursts with tart cherry, watermelon, citrus, and mineral notes. The tannins are supple and light. Pair with a plate of cured meats and cheeses.

OVUM BIG SALT ORANGE ROSÉ 2021

Highly drinkable and a great baby step into orange wine for the uninitiated. It has a sunset cranberry color that comes as a result of Pinot Gris skins. Roasted carrot, ginger, and red apple skin notes flood the palate. Racy and fun it continues to have its classic salty finish. 50% Pinot Gris, 25% Riesling, 15% gewurztraminer, 7% Early Muscat, 2% Sauvignon Blanc, 1% Pinot Blanc.

ALTA MORA ETNA BIANCO 2019

Grown and harvested on the slopes of the active volcano, Mt. Etna, in Sicily, This wine is made from 100% Carricante. I love the tonic energy and snappy acidity that this lovely drinking wine brings to the palate. It would make for an easy evening of shrimp tempura and steamed vegetables. The Cusumano family has been working hard to fine-tune this wine, and the results show." 100% Carricante from 15-year-old vines grown at 600 meters in volcanic soils. Fermented in stainless steel and aged 4 months on the lees for additional complexity.

COTE MAS ROUGE 1L 2019

Minimal skin contact and gentle pressing allow for maximum fruit flavor and intensity while preserving all of the natural acidity. An absolute steal at the price and size of the bottle. Great for groups. Serve a little chilled. 70% Syrah and 30% Grenache from the Pays d'Oc region of southern France, farmed organically (20%) and sustainable, as certified by Terra Vitis.

The Butcher Zweigelt 2020

The palate is juicy and expressive, bursting with tart red cherry, black raspberry and finishing with gentle hints of spice. The quality of the fruit really shines here. This wine has structure, and bright cherry fruit is balanced by firm tannins and perfectly integrated oak. Drink this instead of a Cabernet with your medium-rare steak, grilled lamb, etc... 100% Zweigelt from Burgenland in Austria.
